December's Meeting is being sponsored by

TRIBOSPEC Canada

Canada's Lubrication Specialist - Your One Stop Lubrication Company

They are committed to improving your equipment's reliability.

Ray Wellman - Tribospec Regional Manager will tell us how.

We are also asking our members to bring donations
of new unwrapped toys for

Jimmy Lomax's OPERATION SANTA CLAUS.

A successful Hamilton charity since 1958.

IN THE TAIL LIGHTS

Our **Annual Ladies' Night** has come and gone again this year.

The beginning of many people's Christmas season was a great night for all who attended. **The Renaissance Banquet Centre** presented an excellent meal and **Arden and the Tourists** entertained all.

Thanks to all the Special Sponsors and those who donated gifts for the ladies. Attendance was unfortunately lower than last year and we will have to double our efforts to promote this great event next year.

Make sure you mark November 18th, 2006 on next years calendar.

If you have any suggestions to improve the night please drop us a note or approach any of the executive.

THANKS TO OUR OCTOBER MEETING SPONSOR

For informing us of their new products and unique services.

They truly are our partners in business.

We are not the only branch of the A.T.S.S.A. To have problems getting sponsors for our regular meetings. Times are tough and marketing budgets are shrinking!
