Our September meeting was held and sponsored by the Mohawk College Motive Power Division. An excellent meal was supplied by the cafeteria staff before the C.F.M.S. & Chevron/Texaco presented the June "Technician of the Month" award to Kirk Jensen of Thomson Metals. All in attendance then divided into smaller groups for guided tours of the Stoney Creek Campus.

We are asking you our members for help with Ladies' Night. We need donations of door prizes for all the ladies attending, Special \$100 Sponsors to add to our advertising banners and of course we want you to bring your special lady out for an enjoyable evening of dining, dancing and social interaction to kick off the Christmas season.
