We are still looking for links from you, our members to help you promote your company! Please send your email & or website address to: Secretary@hamilton-atssa.org

Just a reminder the Executive are still looking for:
The Special Sponsors who wish to donate \$100 or more and have their company name added to our 'Banner of Recognition'. Also anyone who would like to donate a door prize for the ladies, we will gladly arrange to pick up an unwrapped gift or money donation to purchase a gift in your name. Please include a business card for each gift so we can ensure the recipient of the gift will know who to thank.

A Great Idea that some of our members have been doing in past years is to use our Annual Ladies' Night Ball as their Staff Christmas Party. It is big improvement over the standard office/shop party! There is no liability for the company since the entire event is serviced and controlled by a professionally trained hospitality staff with a cash bar. It also allows your employees and their spouses to interact on a social level that they might not get a chance to any other time of the year and every lady goes home with a beautiful gift.
