IN THE TAIL LIGHTS

Our April sponsor was Toromont Industries. A national company with a diversified range of products and services. Sean Woolsey introduced us to Toromont CAT and their very aggressive approach to meeting the government emissions legislation for 2007 to 2010. A very informative presentation of the Toromont A.C.E.R.T. Program with details on the particulate matter reduction filter, clean gas induction system, diagnostic changes, transmissions and P.T.O.'s.
