IN THE TAIL LIGHTS

May's Meeting was sponsored by Canada's Largest
Webasto Dealer - Niagara Service & Supply Ltd.

We were well informed about their 'Engine Independent' Heaters & Air Conditioning Units & the Auxillary Power Units that run them. We were then introduced to 'BlueCool' their cool air unit that stores up to 9 hours of cabin cooling energy in only 5 hours of driving time. With very low draw Fans and pumps they can reduce cabin sleeping temperatures up to 20 degrees for a long comfortable, quiet nights sleep.

For more information call them at (905) 573-3101.

The summer is here and the A.T.S.S.A. Will break after the golf tournament for a couple of months and start back in the fall with our September Meeting sponsored by Imperial Oil & The Toy Drive for Operation Santa Claus. We have already started laying the ground work for our Ladies' Night in November & we hope to be back in the Renaissance's Brand New Grand Ball Room with Arden & the Tourists, so be sure to keep the date available.

We are also hosting the A.T.S.S.A. ALL Branch Golf Tournament in June 2007.

We still have a few un-sponsored monthly meetings and are looking for suggestions!

On behalf of all the executive "Have a safe and enjoyable summer!" Paul

C.F.M.S.

CANADIAN FLEET MAINTENANCE SEMINAR

May 28th -31st, 2006

DoubleTree International Plaza

Toronto, Ontario Canada.

Overhauled, Tuned & Ready to go...

The annual training seminar that no transportation personal should miss.

With industry specific panel discussions, training sessions, onsite truck display, OEM & After market manufacturer in suite interaction , a fun casino night and 2nd annual golf tournament it is sure to be the best planned industry event to date. Add to that the great meals, The Volvo Fleet Manager of the year & Chevron Texaco Diesel Technician of the Year awards presentations dinners and you have a DO NOT MISS EVENT!

Register today online.
