IN THE HEADLIGHTS

Welcome back from the summer break!

This month's Sponsor is

Esso's Clinton Smith will be presenting their newest product line **API CJ-4** that meets the **2007** Environmental Protection Agency (EPA) **emissions requirements**. The presentation will deal with why a new category is needed, why exhaust treatment is needed, backwards-compatibility of **API CJ-4** for older engines, when the category and products will be available and when the 2007 emission controlled engines will be available. Clinton Smith joined Imperial Oil in 1973 at the Research Centre in Sarnia Ontario. Since 1993 his role as the **Automotive National Marketing Technical Service Specialist** has been to plan the next generation products for the automotive applications for gasoline and diesel engine oils, gear oils, transmission fluids, 2-cycle fluids and tractor hydraulic fluids.

We are also asking our members to bring new unwrapped toys to donate to **Jimmy Lomax's OPERATION SANTA CLAUS**.

Mark Gainham is organizing a trip to the **Michelin Retread Tire** plant in Ingersoll we are looking at a Friday in the later part of October. The cost will be \$40 each including lunch and transportation. Space is limited to 35-40 people. Call Mark @ 905-777-8473.

IN THE TAIL LIGHTS

The **Golf Tournament** was another great success although we do have a outstanding money to collect. Please submit payment A.S.A.P. The course and date will remain the same next year as we host the **2007 A.T.S.S.A. All Branch Tournament**. Make sure you reserve you Tickets early.
