IN THE HEADLIGHTS

Our December Meeting marks the return of Warren Burger from The Haldimand Association for the Developmentally Challenged. Warren will inform us of the ongoing work of the organization and then he will auction of the great donations brought in by you our members. All money raised goes directly to his organization so bring your cheque books and finish your Christmas shopping. We already have a leather jacket (XL), Nascar paraphernalia, gym bags, golf shirts and some diecast collector models. If you or your company would like to donate an item or two please bring them and a guest on the 18th to enjoy the fun and find out about the ATSSA organization.

There are also numerous executive positions that are coming to term and we will be holding elections for them at the December meeting. If you would like to join the executive or nominate a member please make your intentions known to our going president Fred Pedler.

IN THE TAIL LIGHTS

On Saturday November 18th we held our

49th annual Hamilton ATSSA Ladies' Night Dinner & Dance.

Over 115 people dined and danced the night away to Arden and the Tourists. We had a great evening out with our wives, family, friends and co-workers. A heartfelt thanks to all the special sponsors, ladies' gift donators, volunteers and attendees. We have already started our planning the 50th Annual for November 17th, 2007 so mark it on all your new calendars today. We want to make this the biggest and best yet, so if you have any suggestions, ideas or comments please forward them on to me and I will bring it to the attention of the entertainment committee.
