IN THE HEADLIGHTS

I.R.S. Truck & Trailer is sponsoring guest speaker Eddy Tschirhart to inform us about the changes to the laws in regards to Compliance issues for Multi-Stage Vehicle Manufacturing. He will be talking about the new section 5 of the N.S.C. (National Safety Code), M.V.S.A. (Motor Vehicle Safety Act), Section 611 of the Ontario standards and the N.V.I.S. (New Vehicle Information Statement).

Eddy is the Director of Technical Programs for the C.T.E.A. (Canadian Transportation Equipment Association) and will be telling us about his association and the necessary risk management of the vehicle multistage manufacturing industry.

Hamilton Branch is hosting the 2007 All Branch Golf Tournament

We will have many out of town members buying tickets early.
Book Friday June 1st off & reserve your tickets today!

IN THE TAIL LIGHTS

At our December Meeting Warren Burger was our guest speaker and auctioneer for our biennial charity auction for the formally named Haldimand Association for the Developmentally Challenged now called Community Living Haldimand. A former Deputy Police Chief, a constant purveyor of humour and always a fast talker, Warren charmed the members and their guests as he auctioned off numerous items donated by our members for such a worth while organization.

Thanks to all who donated, bid and purchased these items.

Over \$2000 was collected and went directly to the charity!

Special Thanks To: Barton Truck Centre, Haldex Brakes, LeClair Truck Repair & Marshall Truck & Trailer Repair for jointly sponsoring the largest attended meeting of the year. With out their help our organization would not have been able to hold this event.

Ron Attwood received the Life-Time Member Award for his many years of service with the Hamilton A.T.S.S.A. & the C.F.M.S.

The Chevron Diesel Technician Award program is a recognition and reward program designed to acknowledge outstanding diesel technicians. We believe that recognizing the best diesel technicians is important to their career growth, self-esteem and well-being. It sends a positive message to new and prospective technicians while continually rewarding a job well done.

As the employer of the "Diesel Technician of the Month" your company will receive \$800.00 toward the school training for either veteran or newly hired employees. For more information or to nominate an employee check out the link at our web site or see any of the executive. www.hamilton-atssa.org

44th Annual Canadian Fleet Maintenance Seminar May 27th to 30th We are teaming up with the Truck Maintenance Council an offshoot of the American Trucking Association, who celebrated their 50th anniversary this year. This is a giant step in further broadening our horizons and bringing a wider scope to our already successful program.

Register or get more info at www.cfmsonline.com

Canadian Fleet Maintenance Manager of the Year Award
