## Hamilton & District Branch February Newsletter & Meeting Notice

**[WWW.HAMILTON-ATSSA.ORG](http://WWW.HAMILTON-ATSSA.ORG)**

**Date:** Monday February 19th, 2007.

**Time:** 6:00pm Social Meeting

**Place:** Renaissance Banquet Centre

2289 Barton Street East, Hamilton, ON., Canada L8E 2W8.

Phone: (905) 560-2500

## IN THE HEADLIGHTS

February Meeting is sponsored by **Pro-Ma Systems**.

**Scott Deslippe** from **Pro-Ma Systems** will be in talking to us about their line of Performances Products. He will be talking about their fuel additives and how they relate to the new fuels that are out. He will also be giving a demonstration on how their lubricants stand up under various conditions and how they can greatly reduce maintenance and down time. They have products that can be used in domestic, marine, commercial, agricultural and industrial applications so this will be of interest to everyone who attends.

**Hamilton Branch is hosting the 2007 All Branch Golf Tournament**

We already have many out of town members buying tickets early.

Book Friday June 1st off & reserve your tickets today!

We are holding the tickets at last years price of only \$100 each!

## IN THE TAIL LIGHTS

**I.R.S. Truck & Trailer** sponsored the January meeting for The Canadian Transportation Equipment Association. Al Tucker Director of Membership introduced the C.T.E.A. as a 43 year old, non profit organization that serves many facets of the transportation manufacturer.

Membership consists of over 500 companies world wide. With a monthly newsletter, annual conference, proactive website and generic third party testing the registered federal lobbyist is a strong voice for the industry and is well listened to by the law makers. Eddy Tschirhart Director of Technical Programs for the C.T.E.A. informed us about the changes to the laws in regards to Compliance issues for Multi-Stage Vehicle Manufacturing including the National Safety Code, Motor Vehicle Safety Act, New Vehicle Information Statement and a companies Risk Management companies must address in manufacturing and adding to a Multi-Stage Vehicle. Many members were captivated by his presentation and vast knowledge.

**NEW FORMAT & NEW FORMS NOW AVAILABLE!!**

The Chevron Technician Award program is a recognition and reward program designed to acknowledge outstanding technicians and registered apprentices. We believe that recognizing the best technicians is important to their career growth, self-esteem and well-being. It sends a positive message to new and prospective technicians while continually rewarding a job well done.

As the employer of the "Diesel Technician of the Month" your company will receive \$800.00 toward the school training for either veteran or newly hired employees. For more information check out the link at our web site or see any of the executive.

**44th Annual Canadian Fleet Maintenance Seminar May 27th to 30th**

**The Packages are in the mail and the web site has been launched!**

We are teaming up with The Truck Maintenance Council who celebrated their 50th anniversary this year. This is a giant step in further broadening our horizons and bringing a wider scope to our already successful program.
