Hamilton & District Branch March Newsletter & Meeting Notice

WWW.HAMILTON-ATSSA.ORG

Date: Monday March 19th, 2007.

Time: 6:00pm Social Meeting

Place: Renaissance Banquet Centre

2289 Barton Street East, Hamilton, ON., Canada L8E 2W8.

Phone: (905) 560-2500

IN THE HEADLIGHTS

March Meeting is sponsored by Peterbilt of Ontario Inc. Kim Lepak will focus on the importance of proper service techniques of Air Conditioning, how to avoid compressor failures, importance of removing contamination and moisture from the system. He will talk about the NITE no-idle system, built by Bergstrom. Ken has travelled North America, US, Canada and Mexico coast to coast instructing. Everyone from the most experienced to the most novice technician will learn valuable information.

Hamilton Branch 2007 All Branch Golf Tournament June 1st! Once every 7 years we host the All Branch Golf Tournament many out of town members attend and it is a great way for our member's to showcase themselves by sponsoring holes and donating door prizes.

We are playing a scramble format & will be presenting special team trophies so get your foursome ready & book Friday June 1st off today!

We are holding the tickets at last years price of only \$100 each!

Contact Dave Cook or any of the Executive to reserve tickets.

IN THE TAIL LIGHTS

Pro-Ma Systems hosted and presented at the February Meeting.

Scott Deslippe from Pro-Ma Systems discussed the Pro-Ma line of Performances Products that can be used in domestic, marine, commercial, agricultural and industrial applications .

He introduced their fuel additives and how they relate to the new fuels that are now in the market place. He then gave a rivoting demonstration on how their lubricants stand up under various conditions and how they can greatly reduce maintenance and down time capturing the interest of many who attended.

NEW FORMAT & NEW FORMS NOW AVAILABLE!!

The Chevron Technician Award program is a recognition and reward program designed to acknowledge outstanding technicians and registered apprentices. We believe that recognizing the best technicians is important to their career growth, self-esteem and well-being. It sends a positive message to new and prospective technicians while continually rewarding a job well done.

As the employer of the "Diesel Technician of the Month" your company will receive \$800.00 toward the school training for either veteran or newly hired employees. For more information check out the link at our web site or see any of the executive.

44th Annual Canadian Fleet Maintenance Seminar May 27th to 30th

The Packages are in the mail and the web site has been launched!

VOLVO

Each year we endeavour to assist the Trucking Industry by introducing new products, addressing many maintenance issues as well as hands on training for our many delegates. In 2007, we are taking a giant step in further broadening our horizons and bringing a wider scope to our already successful program. We are teaming up with the T.M.C. or Truck Maintenance Council, who celebrated their 50th anniversary this year. The T.M.C. is an offshoot of the American Trucking Association based in Alexandria, Virginia in the U.S. We have a lot in common with the T.M.C. and this will allow our delegates to increase their knowledge of the Trucking Industry south of the border and in turn, we can do the same for them here in Canada. The T.M.C. continues to run a highly successful conference in the U.S.A., Mexico and United Kingdom. This group has also been producing the widely used Policy and Procedures Manuals since 1973. We are hoping for a long and bright future with the T.M.C. and know that the increased knowledge they bring to our organization and delegates will be a valuable asset to all. Be sure to check out our website, www.cfmsonline.com

Wise sayings about GROWING OLDER...

- 1) Eventually you stop lying about your age & brag about it.
- 2) The older we get, the fewer things seem worth waiting in line for.
- 3) Some try to turn back their odometers.
Not me, I want people to know "why" I look this way.
- 4) If you are dissatisfied & want be young again, think of Algebra.
- 5) You know you are getting old when it either dries up or leaks.
- 6) I don't know how I got over the hill without getting to the top.
- 7) One must wait until evening to see how splendid the day was.
- 8) Being young is beautiful, but being old is comfortable.
- 9) Long ago when men cursed & beat the ground with sticks, it was called witchcraft.

Today it's called golf!
