**WWW.FACEBOOK.COM**

A great way to find old friends and meet  
new people with similar interests.

A networking based website that is free  
and very easy to use. I recommend it  
as a great way to connect with family &  
friends & promote upcoming events.

**WE NEED TO PARTICIPATE IN THIS PROGRAM!!!!!!!**

The Chevron Technician Award program is a recognition and  
reward program designed to acknowledge outstanding technicians and  
registered apprentices. We believe that recognizing the best  
technicians is important to their career growth, self-esteem and well-  
being. It sends a positive message to new and prospective technicians  
while continually rewarding a job well done.

As the employer of the "Diesel Technician of the Month" your  
company will receive \$800.00 toward the school training for either  
veteran or newly hired employees. For more information check out  
the link at our web site or see any of the executive.
