IN THE TAIL LIGHTS

December's meeting was sponsored by CANCORE / Hamilton Radiator, Haldex Inc., Le Clair Truck Repair & Putney's Brake & Alignment Service. Each company was given 10-15 minutes on the microphone to promote their company and educate the members. We will be looking at repeating this trade show style meeting again. If anyone is interested in a mini-presentation please let us know.

The Chevron Technician Award Program

As the employer of the "Diesel Technician of the Month" your company will receive \$800.00 toward the school training for either veteran or newly hired employees. The winners of the monthly award are then invited to attend the annual awards dinner at the CFMS in May and "The Diesel Technician of the Year" is chosen from those technicians. The winning organization will receive \$2000 in training incentives for any staff members in their company.

For more information check out the link at our web site or see any of the ATSSA Hamilton Executive.
