The Gerald Marshall Fund was created by the Marshall family in Gerald's memory to support the Transportation Truck and Coach Industry as Gerald himself did so much during his life. The fund will dramatically improve the training for the next generation of technicians by transforming the Mohawk College Truck and Coach Campus in Stoney Creek into The Gerald Marshall Centre. The purpose of the centre is for research of the Skilled Trades and Apprenticeship, Resources and Training Institute and enhance the College's Truck and Coach Apprenticeship Program. Personal and Corporate donations can be made by calling Linda Marshall 905-575-2063 or Wayne Marshall 905-979-2308
