IN THE TAIL LIGHTS

September's Meeting was sponsored by:

PETRO-CANADA

Bill Ridley & Philip Oh discussed the myths about synthetic and all weather lubricants. Then they supplied a well documented lesson about oil grades and the proper uses for those grades. Helping in your decision selecting the proper lubricants and fluids for the cold weather performance and the technologies that Petro-Canada has developed in the field.

Attention Members & Special Friends of the ATS!

As always we would greatly appreciate any assistance that our members can offer us to help defer the cost of holding our annual event. Special Sponsors will have their name mentioned during the event and added to our event banner & table tents. Ladies Door Prizes are always welcome. Please Contact any of the executive to arrange a contribution.

MEMBER INPUT

If you have anything of interest to pass on to our membership please email or call me and I will gladly add it to our monthly Newsletter and post it on the Hamilton ATSSA Website.
