KIM RICHARDSON FROM K.R.T.S.

Was our Guest Speaker at the April General Meeting. Kim discussed the

Development of a Provincial Professional Driver Apprenticeship Program and how this and other

programs his organization offers will help recruit and retain key personnel and give the driver an advantage of an experienced mentor and accreditation in the industry. Kim also discussed the

Ontario government's Mandatory retesting of Commercial Drivers at the Age of 65 and expanded on the unfair treatment of experienced stake holders in the industry by age instead of targeting industry offenders of all ages.
