## New Inspection Rules

**Ontario is adopting a new standard for commercial motor vehicles.**  
This affects annual, semi annual and safety standards certificates inspection requirements for trucks, trailers, buses, accessible vehicles and school purposes vehicles. The new standard is National Safety Code Standard 11 Part B, "Periodic Commercial Motor Vehicle Inspections" January 2006 (National Standard), produced by the Canadian Council of Motor Transport Administrators CCMTA is a non-profit organization made up of representatives of the provincial, territorial and federal governments of Canada which, through the collective consultative process, makes decisions on administration and operational matters dealing with licensing, registration and control of motor vehicle transportation and highway safety. The National Standard has been adopted through amendments to Highway Traffic Act (HTA) Regulation 611 "Safety Inspections" and takes effect in Ontario on July 1, 2011.

## Life Member Passes

On August 6th, 2011 Frank Pyott passed away at Joseph Brant Hospital. In his 80th year Frank had a long history in the Automotive Industry & as a Life Member of the Hamilton ATS. Frank served for many years on the Executive working many hours helping with the Annual Ladies Night, Golf Tourney and Curling Bonspiel. His sons Michael & Stephen and the rest of Frank's family were very pleased to see the many faces of ATS members who attended the visitation & the funeral service. Frank will be missed and remembered by many as a true and honest gentleman.  
Rest in Peace Frank.

## Golf Tourney

Once again our Annual June Golf Tourney was a smashing good time. The rain held off for most of the day. Reports coming in say that a great day of golf was followed up a great meal and an enjoyable evening. We have begun to lay the ground work for 2012 so if you have any suggestions, comments or complaints please let us know.

## New Sponsors & New Members Needed

As our new season gets off to a rocky start the volunteer executive of your Hamilton ATS is once again asking for your help. We are in need of new guest speakers and sponsors for our monthly meetings. We have exhausted many leads over the summer and are finding it difficult to get companies to commit to supporting our organization. We *need to revitalize* the ATS Brand Name and bring it back into the forefront of the Transportation Industry as an *important tool* to bring new ideas and

products to the decision makers and to promote the safe practices and ethical conduct that our industry is more in need of then ever before. We need you to get out there and spread the word. Remind the companies that call on you that you are an ATS member. Hand out our newsletter. Bring out the new fleet manager, sales person, shop foreman or technician to see what the ATS is first hand. Show them Social Networking doesn't need a computer! Be an industry leader!

## **FROM THE EXECUTIVE**

Welcome back everyone. I hope you all had a great summer. Just a quick word regarding our 2011 membership dues campaign. The word is "Thank you". OK, that's two words. Our 2011 membership dues campaign resulted in a positive response from approximately 92% of our members. Thank you all again for supporting your Hamilton ATS Association. Please watch your news letter for details regarding upcoming meetings. This new season promises to be a good one.
